What [Kaya Weimann](#) likes about The Garden Brunch Cafe: This place is worth waiting. The food was absolutely delicious. The staff was so nice from the beginning to the end. They all looked like they had a great time working there. What if the woman who went around and thanked us several times for coming, the owner was, I would like to work there too. Very nice place. We waited about 45 minutes to be ready, but as I said, it's definitely worth waiting. Thank you. [View all feedback](#).
