This is a great place! The staff is friendly and inviting. Food is great as well. Your wait for the food is minimal and you are usually always seated promptly.

You may have a small wait 15 minutes at best(I don't believe I've waited this long but it's possible)during the breakfast time on a Saturday or Sunday. I only wish there were more places... [View all feedback](#). What [Hayley Green](#) doesn't like about Park City Resturant:

Service was slow. Dirty table and food on the seats when seated. They actually asked me if I wanted them to wipe that down... really... Shared a meal with my wife. Was charged an extra plate charge even though that is not stated in the menu nor was it told to us initially. Not a big deal for the fee, just would have been nice to be informed.
