Food is good. Having been raised eating this type of cuisine, I'm a little biased, but its good. They even put out a couple local dishes you won't find elsewhere. Milk rice, etc... Yummy. Recommend. [View all feedback](#). What [Cindy](#) doesn't like about Gasthof Amish Village:

They use to be my favorite place to eat but last time I went I was very disappointed. Took my son there for the first time that day and was going on and on how good it was, lol. They use to have lots of different pies and anything and everything you could want for dessert and also good food on the regular buffet of food, not now, and it's still super expensive to boot, this place went down hill, not what it use to be...
