They left out one of our staffs meals and a side. Traffic was crazy in Rogers that afternoon and it was a hassle. The manager was super friendly, made it right and then some. Mistakes happen, it's how they are handled that makes the 5 star rating. I was nice about it, and could tell that as crowded as it was that everyone on staff was hustling and stressed out. Thanks... What [Lillian Beer](#) doesn't like about Taziki's Mediterranean Cafe:

I love Mediterranean food! This place was okay. I have the Lamb Circle. It was super gum. Cheers! The vegetables were fresh and amazing along with the humus. That made it acceptable. I didn't care about her house sauce, but I think these are my taste buds and no reflection on them. Restaurant was super clean, staff was so friendly! [View all feedback](#).
