I left Milwaukee 24 years ago and that was my favorite restaurant. Today I came back to eat the Swiss Burrito and still the best and biggest burrito I ever try. Congratulations guys for the same taste for over 20 years. [View all feedback](#). What [L Williams](#) doesn't like about Jalisco Restaurant:

I literally come here all the time and the woman during the day constantly messes up orders then talk smack to the customers about us ordering wrong when SHE repeated everything I asked for and she gave out the wrong order and became mad and frustrated because she messed up. Again I come here all the time and she's the only one who gives people problems. [View all feedback](#).
