Pros: fast, fresh-HOT food, best chicken in town  
Cons: hours of operation is the only major con. Some days close before 9 even!! still eat here at least twice a month and love the food, staff, and prices are very reasonable however the fact that they close before 9 on some days doesn't sit well with me. Therefore they get 4/5 stars otherwise a flawless 5/5! Food is MUCH better when you dine in. It's too fresh to get it... [View all feedback](#). What [Rose S](#) doesn't like about Wings-N-Things:

I love the wings, I love the service when I dine in, BUT that old lady that answers the phone is so rude every time. She always talks to you like you 're dumb when she is the one who can 't hear. When she does the phone, even if I call first, other phone calls get answered before me, I have tested this many times. She needs an attitude adjustment and to stop asking aNd YoU kNoW This is The 290 LOcaTIon [View all feedback](#).
