The Card of Burger King from Denver includes about **18** different dishes and drinks. On average, you pay for a dish / drink about \$7.3. What [Robyn Wilfley](#) likes about Burger King:

One of the few places that is not insane with what they charge anymore. I went to Macdonald a few weeks ago and got a free item off what I thought was the \$1 menu but when they told me what the price was it was \$15 which shocked me for Macdonald. I think burger King is better any ways but I was able to get a bacon cheese burger and a small fry and drink for 3.50. [View all feedback](#). What [Twila Lakin](#) doesn't like about Burger King: burger king is burger king food is good for almost food it is what it is. I may have taste of the flamb (always; always will be) but I notice the shrinkage that affects all burger are much smaller than they were earlier [View all feedback](#).
