Best go to sandwich in the Mission, hands down. They're a great size, well constructed, and the bread is fantastic. Good, huge salads too. If you're going to pay SF prices, make it high quality and quick choose Mission Picnic. Plus: parklet seating is great, staff is friendly, and there's never a line. [View all feedback](#). What [Justyn Pacocha](#) doesn't like about Mission Creek Cafe:

Cheesy goodness. If you need some comfort food this is the spot. Top notch ingredients and oh so good. You can't beat their grilled cheese and tomato soup but if that's not your thing the rest of the menu looks killer as well. [View all feedback](#).
