This is real nice place in Madera Ranchos. They have great Pizza Calzone. I have had both and they were good. They are doing take out and delivery under Covid. So if you need good food live in the area or passing through, pick up some good food and chow down. Just finished a custom calzone and my wife had the Chicken fettuccine with Alfredo sauce. They were busy last night so obviously lots of people like it. [View all feedback](#). What [Olumide Makuachukwu](#) doesn't like about Madera Pizza Factory:

Great food and they always support the community, a little greasy and they don't cook the bell peppers or onions so they are always uncooked in the calzones but other than that it's a great lil pizza place [View all feedback](#).
