we've probably eaten a dozen times, every time it's fantastic. not bad in the menu. full-day breakfast, good steaks and high-quality ingredients. Moreover, the personal is friendly and attentive, even if they only order the acceptance. extremely convenient parking, and it is very easy to reach right from 30. simply my favourite place to eat in the countryside. Really enjoyed this place till last week I am confronted with an individual whom refused to wear a mask and was taking it out on the bartender. I spoke up and got the man to leave and not 1 thank you. Really enjoyed this place that's the only reason for speaking up while 2 grown men at the bar just sat there and allowed the man to berate the bartender. Very questionable morals on all of the parties involved. [View all feedback](#).
