Bar tender and beers were awesome. We had a flat bread [pizza](#) that, frankly, wasn't very good. Could be the type we chose but it was very dry. Overall really like the vibe and bar [View all feedback](#). What [Eda Toy](#) doesn't like about The Cracked Egg:

Its a just about perfectly average neighborhood bar. Smokey joint with a mediocre beer selection. That said, staff are always friendly and relatively knowledgeable. Not too loud and Rarely busy. Easy stop for a way-home pop. Wifi is decent. Haven't eaten here. Have never seen anyone else eat either. [View all feedback](#).
