We are here so often, they know us by name. we love everything on their menu. More then the pizza, more then the garlic bread.. Every thing is wonderful. They are always kind and have smiles on their faces. They are like mall family. [View all feedback](#). What [Станіслав Крамарчук](#) doesn't like about Dante's Pizza:

Such a hit or miss. Food was old with the exception of a roll that they had to make since they ran out. You are expected to keep an eye on when the food they didn 't have is ready and go get it yourself. Guess it 's so hard to bring it to the table like most places. Also, they now charge a 3.5% fee on credit cards. Like seriously, a restaurant charging to use a card. [View all feedback](#).
