This place is awesome! The employees here are great. they're friendly, prompt, and attentive. And the food is so good! Especially their soups. Tomato basil, Greek chicken noodle, potato bacon. I have lunch here nearly every weekday. And I love it! I recommend it to everyone. [View all feedback](#). What [Dameon t Canary](#) doesn't like about Anna's Island Cafe:

Got the Reuben, and fries. Could have been better, maybe the Diamler togo/ cater order took preferable treatment. 3 tables on the main side that took over 30+ min to get food from the kitchen. Glad I was off and not on lunch. [View all feedback](#).
