The restaurant from Taylor offers **19** different **meals and drinks on [the menu](#)** at an average \$6.3. What [Joan Glasgow](#) likes about China Buffet:

This is one of my daughter's and my favorite sit in place to eat. The food is delicious and there is enough room for everyone. I have a big family and they move table without me asking just to suits us. They also do take out! Sanitize your hands grab your tray and fill it with what ever you want. Get it weighed pay and go. You won't be disappointed! [View all feedback](#). What [Danyka Jacobson](#) doesn't like about China Buffet:

Nothing special, I have not been to a Chinese buffet in years and now I know why. No new sanitary standards being practiced, bothered me years before and nothing has been updated. The variety was good ,fresh items coming out periodically.. \$60 later and I will never be back. [View all feedback](#).
