What **K** likes about Bravo Restaurant & Bar: They get crazy busy, esp when there are occasions (graduation/Christmas/etc). They don't take reservations, so it's a first-come-first served thing. Staff are quick and attentive, but like I said, a little patience goes a long way when they're crazy busy. Tip well; they work hard to make sure the food and the service is great. The garlic balls (free) are soooooo good! [View all feedback](#).
