What [Guiseppe Hane](#) likes about Mint Cafe:

at 12:30 a.m. sitting on a Sunday opening is 12 a.m. not busy, but the workers behind the counter didn't notice me about 10 minutes? .ordered my food schezwan chicken with nuts, pork fried rice and teriyaki chicken spits, brought it to eat home was great! 4 stars just because they should know when a customer is waiting for order?

but as I said, eating was on-point! I'm back? [View all feedback](#). What [Blanche Rohan](#) doesn't like about Mint Cafe:

I have no complaints about the food, I find it to be delicious. However, I find it disrespectful and appalling when a restaurant such as Mint Cafe raises their prices but makes their portions much smaller! If you're going to be charging us more money we should at least get more food or the same amount as before not less, NEVER LESS!! [View all feedback](#).
