This is an old school hamburger joint. It has been here forever and it is one of the nicest ones in Oildale. It is family-owned and they are almost always present. The food here is outstanding. It is fresh hot and just darn good. They also have a drive-through for your convenience. [View all feedback](#). What [BrandyJo Kyleen](#) doesn't like about Carousel Drive in:

Pretty good food for the most part. Much better if you eat it there fresh. I love their pastramis and fried mushrooms, but they're a somewhat skinny pastrami and they don't add yellow peppers. Milkshakes are pretty dang good. Prices are on par with other burger joints. [View all feedback](#).
