Food was great and came out quickly. The blue cheese chop salad is my favorite. The ribeye steak was great as usual. My son's kid's sirloin was huge and he was very happy! [View all feedback](#). What [Someguy\\_A](#) doesn't like about Outback Steakhouse:

This restaurant made my wife and I sick. The meat was undercooked and when it was reheated did not taste right. Everything was over seasoned. When we got home My stomach began to ache and a few hours later my wife got violently ill. That is not what I want when going out to have a nice dinner. [View all feedback](#).
