It's not a beautiful place. But the owner, cook and staff are amazing. Excellent service and most important the food was Amazing. We ordered the house wine and several dishes recommended by the owner and waitress. You will feel at home at this restaurant. Thank you for your amazing hospitality. [View all feedback](#). What [Giles Erdman](#) doesn't like about Merkato Ethiopian Restaurant:

I picked up a few guests from the city here because it was on so many recommended lists. The food was okay, but not great. There was no one when we left. Maybe it was a free day. [View all feedback](#).
