For seasonal or weekly deals, please contact the owner of the restaurant directly. You can also contact them through their website. What [Χρυσσαφένια Γαλάνης](#) likes about Peaches' Family Restaurant:

I've been going to Peaches for 20 years and never had a bad experience. I usually get chicken strips, but I was on the whole menu and every article was delicious. Even at the times when the journey thru line is long, the food is always worth. Make sure to always get her ranch!! Her chicken is fried steak sandwich. It's worth it! [View all feedback](#). What [Kailee Reinger](#) doesn't like about Peaches' Family Restaurant:

It's nice to be able to support a local business instead of a big chain. That being said, this place is a bit overrated. I got the jalapeño burger and it's just sliced jalapeños out of the jar and a piece of cheese. The fry sauce is mayo and ketchup. The fries are the only thing I couldn't have duplicated in my car with stuff from Walmart and even those aren't that special. Plenty of diners make fries like this.... [View all feedback](#).
