Just bought condo for my parents 50 wedding anniversary and came for a visit. Our realtor gave us a gift card and recommended this restaurant for a great place to eat. I will 100% agree. Had the bay scallops which were perfect. I will definitely be a place I will visit frequently. [View all feedback](#). What [Elena Delvalle](#) doesn't like about

I looked up the fish in the internet and was appaled to discover that the fish has very high toxins and bacteria. the article said that they should not eat this fish at all. how could her restaurant serve this dangerous fish! please examine this fish.
