I like the place, the food, the drinks and the manager, but the waiting staff is pretty bad. 3x lately and the girl was not server material. My mixed drink sat on the counter in 5 minutes and we had to ask 2x. It cannot multi-task and does not have the opportunity to remember simple requests when it runs away. [Dennis Hilleren](#) doesn't like about Padre Murphys Restaurant:

We have been coming here for over 20+ years. Almost always for the fish on Friday. They must have changed the type of fish they are using. It used to be Pollack. The server thought it was Cod which it clearly is NOT. Ehat ever fish they are using now is horrible and the cold slaw is also very poor. We won't be back. [View all feedback](#).
