Great coffee, friendly staff great food I had joe's scramble with Crispy browned hash browns ,they used pork breakfast sausage instead of hamburger at my request, no extra charge, this is my new breakfast place in west richland [View all feedback](#). What [Sharon N](#) doesn't like about Henry's Restaurant and Catering:

First time customer I was not please with the quality of the food served. Ordered a child burger for my granddaughter and it was dried up and tasteless. It was a burger heated up from the previous day from the evening special they had on burgers. Will not be back or recommend this place. [View all feedback](#).
