This place is a time capsule! Like stepping back into the 70's your grandpa is doing the cooking! Sweet staff simple menu. The home fries are done right the coffee cup is kept full. If you're hungry want a simple meal, served with a smile, this is your destination!! [View all feedback](#). What [MenuPix User](#) doesn't like about Crescent Inn LC:

Smells like mildew. Food is greasy. Not clean. There were people who were impressed with the quantity. My teen granddaughter and I were so grossed out with the waitress' son rolling silverware with his fingers all over them. [View all feedback](#).
