This is a small independent coffee shop run by two very nice older Asian ladies. They have good coffee, breakfast burritos (just the right size for breakfast), sandwiches even salads. There is inside and outside seating and they're open from around 6:00 a.m. to 6:00 p.m. . [View all feedback](#). What [William Briere](#) doesn't like about Morning Fix:

Took 20 minutes to order 2 sandwiches then another 20 to receive them. No one in line, just super slow. Not worth your time. I can't imagine when there are people in line, it must be over an hour. [View all feedback](#).
