A nice hole and in the wall place to get good [Mexican](#) plate or tortillas. We go for their big flower Tortilla size for restaurant or just doing it big with burritos. I've been trying good tortillas and this size but here I get it nearly at a reasonable price. [View all feedback](#). What [Carolynne Bloch](#) doesn't like about El Indio Tortillas Factory:

This place was a pure robbery. We ordered 2 Chile rellenos con queso and 2 burritos, 2 sodas. The total was \$60. They didn't post their prices. I should have asked how much each item was. My fault. Pure robbery. We will not be back, ever. The place smelled and we were the only people at lunch. That should have been a red flag.
