Went for the first time and I have no complaints. We was seated quickly and our waitress tended to us fast. She got our drinks and beer (which was deliciously cold) to the table right away. My food arrived shortly after that. The waitress did check on us once and refilled the drinks on request. It was a great experience View all feedback. What Thierry Chartier doesn't like about Twin Peaks:
Worst Twin Peaks I have ever been to. I have gone to Lafayette Twin Peaks about dozen times and Baton Rouge Twin Peaks dozens of times, always great service. But here I waited at table 10 minutes for a server. Had to finally flag her down. Ordered a beer and a chicken fried Steak to go. After I got home I found she gave me chicken fried chicken not chicken fried Steak like I ordered. View all feedback.
