Got a [Mexican](#) spicy pork burrito with easy lettuce and it was awesome. Cashier was a courteous and cute Latina woman. Charismatic and curvy. Lol. Yes the location is la late campus joint so it looks like it. Food was great. [View all feedback](#). What [Gladys Erdman](#) doesn't like about Burrito King:

The 3rd times a charm! Three times I've had their food and it has been horrible. I do not know what meat they are really serving when you order ANYTHING with steak in it but it is NOT STEAK! I will not give them any of my hard earned money anymore. I tried to give them a few chances but now it is time to move on. This one star is a negative star. [View all feedback](#).
