Pumpkin Buns.... Yum. It was the only thing I got but it was sooo good I wouldn't want to get anything else. These were hot out the steamer! The bun itself was super soft and the pumpkin filling was slightly sweet so I could eat these for days. Definitely recommend this place for a quick grab and go! Now where else are you gonna get a bao with pumpkin filling?! [View all feedback](#). What [David Petersson](#) doesn't like about Golden

Steamer:

Nasty! Nasty! Nasty! She was yelling the whole time.... The pork buns were full of just fat and it was cold, even after I told her I wanted the hot ones she got mad and purposely gave me cold. Bad service and if you've ever bitten into cold congealed pork fat before then you know why I feel nauseated. Standards went down after Covid, this place use to be good. [View all feedback](#).
