Whataburger has been proudly serving bigger, better burgers since 1950. Founder Harmon Dobson's vision of creating a burger so big and delicious that it would make customers say "What a burger!" led to the birth of Whataburger in Corpus Christi, Texas. Six decades later, Whataburger is still family owned and operated, with every menu item made to order using 100% pure beef and served on a big, toasted five-inch bun. With over 800 locations nationwide, Whataburger continues to offer a variety of options including burgers, chicken, salads, and breakfast - all while staying true to its humble beginnings.
