Despite mixed reviews on food quality, service, and atmosphere, this pizza restaurant has both loyal fans and disappointed customers. While some patrons rave about their Combo Pizza and tasty appetizers, others complain about dry and flavorless chicken dishes and salads. Service seems to be hit or miss, with some diners receiving their food at different times and mixed experiences with waitstaff. The restaurant has made improvements by relocating game machines, but the overall atmosphere is still lacking. However, there are instances of exceptional service, such as accommodating a large party of 16 on a busy Saturday night. The consensus seems to be that while the food is good, the overall experience can be inconsistent.
