The restaurant offers a good pizza buffet but falls short in terms of game availability and functionality. Many games are broken, leading to disappointment among customers. The customer service is lacking, and the cleanliness of the tables and game areas leaves much to be desired. However, the variety and quality of the food is praised, with special mention of the mac and cheese and themed rooms. Despite some positive aspects, such as friendly staff and a decent selection of games, the overall experience may leave patrons feeling underwhelmed and unlikely to return.
