On this website, you can find the *complete [menu](#)* of Tamales El Patio from Oklahoma City. Currently, there are **20** meals and drinks up for grabs. For **changing offers**, please contact the owner of the restaurant directly. You can also contact them through their website. A recent visit to Tamales El Patio left mixed feelings among patrons. Some reviewers were extremely disappointed, with complaints about dried-out tamales that lacked flavor and seemed to have skimped on filling. Others, however, found the tamales to be a delightful treat, especially praising the pork and chicken varieties. The cheese tamales also received high marks from those who tried them. Despite the mixed reviews, many customers plan to return to Tamales El Patio for their tasty offerings, fair prices, and friendly service. While the restaurant may not look like much from the outside, the authentic and flavorful tamales inside make it a hidden treasure worth visiting. It's important to note that this establishment only accepts cash or check as payment, and the tamales can be a bit messy to eat without utensils. Overall, Tamales El Patio seems to have a loyal following of customers who appreciate their dedication to serving quality tamales.
