This restaurant seems to have mixed reviews, especially when it comes to the size and quality of the wings. Some customers feel that the wings are too small and lacking in meat, while others enjoy the variety of options available and find the food to be delicious. The speed of service and atmosphere seem generally positive, with some praising the quick service and great wings. However, there are also complaints about portion sizes and the behavior of the staff. Overall, it seems that this restaurant may be a hit or miss depending on individual preferences.
