A **comprehensive menu** of **Islander Lodge** from Big Lake covering all 19 meals and drinks can be found here on the food list. For **changing offers**, please get in touch via phone or use the contact details provided on the website. The Islander restaurant offers a diverse dining experience on the lake, with a bar and generally good service and food. The islander New York steak is a favorite, but be cautious with how you order it to avoid overcooking. However, one reviewer had a negative experience with food safety concerns and unprofessional behavior from one of the owners. On the positive side, the ribs are highly recommended, along with the tempura prawns and gourmet salads. The atmosphere at the restaurant is praised, especially for those arriving by boat. While some reviewers mention long wait times during busy periods, the overall sentiment is positive about the food, service, and unique island setting of the Islander restaurant.
