Some customers were unhappy with additional charges for services like avocado slices and limited drink options for refills, feeling that they were being nickel-and-dimed. On the other hand, many praised the delicious food, especially the street tacos, salsa, and guacamole. The portion sizes were generous, the margaritas were refreshing, and the service from servers like Michael was excellent. Despite some drawbacks, the restaurant seems to have a loyal following of customers who appreciate the quality of the food and drinks.
