A complete [menu](#) of Cox Cafe from Macon covering all 20 meals and drinks can be found here on the menu. For **seasonal or weekly deals**, please get in touch via phone or use the contact details provided on the website. The restaurant, located in an industrial area, may seem a bit unexpected at first but the food is well worth it. The staff is always friendly and the atmosphere is homey with local working folk coming in for lunch. The Southern dishes served are fresh and delicious, with standout items such as the fried chicken and lace cornbread. While the cabbage could use more flavor, the overall experience of dining at this mom and pop farm/industrial Cafe is highly recommended. It's a no frills, good food establishment that offers great size servings at a good price. Whether you try the beef tips, fried pork chops, or spicy sausages, this restaurant is a must-visit for those looking for a taste of authentic Southern cuisine in [Macon](#).
