For **seasonal or weekly deals**, please get in touch via phone or use the contact details provided on the website. Pontalba restaurant in New Orleans has received mixed reviews from diners. While some have raved about dishes like the Boudin Spring Rolls and the Alligator, others have been less impressed, citing small portion sizes and overpriced meals. The location, right across from Jackson Square, and the open-air dining room with a view of the French Quarter add to the appeal of dining at Pontalba. Overall, the general consensus seems to be that while the food is good, the restaurant may not quite live up to expectations for some diners.
