Mamma Rosa's is a restaurant that seems to have mixed reviews, but one reviewer found it to be worth a visit. They enjoyed a delicious Supreme Pizza and praised the atmosphere and service. Another reviewer loved the baked spaghetti and lasagna, calling it a small but friendly place to eat. The restaurant had an older feel but impressed with its tasty food. Overall, the staff was described as kind and friendly, making the dining experience pleasant. However, parking may be a bit of a challenge on certain days. Despite this, the pizza was a standout dish that left a lasting impression. Overall, Mamma Rosa's seems to have some hits and misses but is worth a try for those looking for a cozy dining experience.
