A recent visit to this bar and restaurant in Boston left some guests feeling like they were rushed through their meal and didn't quite get value for the price. While the food was excellent and the service friendly, the quick turnover time was a downside. On the other hand, some visitors had a more enjoyable experience, praising the amazing cocktails, delicious food, and top-notch service provided by the owner. The atmosphere was described as sophisticated and comfortable, with great food and drinks all around. The restaurant offers gluten-free options and accommodating staff, making it a recommended spot for both food and drinks. Additionally, the owner's expertise in scotch tastings added an extra level of enjoyment for guests. Overall, a mixed range of experiences at this establishment, but with many positive notes on the food, service, and atmosphere.
