On this site, you can find the *complete menu* of Calafia Taqueria from Alameda. Currently, there are **20** menus and drinks up for grabs. For **seasonal or weekly deals**, please contact the owner of the restaurant directly. You can also contact them through their website. Calafia Taqueria, once a beloved neighborhood spot, has unfortunately faced a decline in customer satisfaction in recent years due to various issues. Customers have reported problems with the menu discrepancies, outdated payment systems, and unhelpful staff, particularly an older **Mexican** lady at the register. Despite the restaurant's picturesque interior and spacious seating areas, the quality of the food has been inconsistent with some customers feeling that the prices are high for the portion sizes and quality provided. However, some patrons do still enjoy items like the fish tacos and various agua frescas on the menu, along with the ambiance of the outdoor seating area. Overall, it seems that while there are still loyal fans of Calafia Taqueria, there is room for improvement in various aspects of the dining experience.
