Here you can find the [menu](#) of **Cherokee** in Geary. At the moment, there are **22** menus and drinks on the card. Nestled in a vibrant locale, this restaurant presents a mixed bag of experiences. While many patrons rave about the delicious, in-house prepared food and highlight the variety from breakfast to dinner, others have faced issues with service, including inattentive waitstaff and inadequate responses to concerns. The praised buffalo burger and standout onion rings contrast sharply with a few disappointing options and presentations. Meanwhile, the decor adds to the dining atmosphere, and reasonable prices enhance the appeal, especially with discounts available for local visitors. Overall, the establishment shows promise but requires consistency in service to elevate the dining experience.
